

PRESIDENT: Right away. Right after the next bill if we can get the correct one up here.

SENATOR MILLS: Okay, fine, thank you.

PRESIDENT: There's a clerical problem here and we'll get it right after LB 395, Senator Rasmussen's bill, Mr. Clerk.

CLERK: Mr. President, (Read title to bill). The bill was referred to the Public Works Committee, Mr. President. It was advanced to General File with Committee amendments. The Committee amendments are now before us. Mr. President, I have a motion to bracket by the introducer.

PRESIDENT: We have a motion to bracket, by whom?

CLERK: Mr. President, I have a motion to bracket 395 until the 15th of February and that is offered by Senator Rasmussen.

PRESIDENT: Do you want to change that to a request for unanimous consent?

SENATOR RASMUSSEN: Yes. Well, I'd like to explain why first, Mr. President.

PRESIDENT: All right.

SENATOR RASMUSSEN: Is that the county officials are going to meet at the end of this month and there is some concern over the Committee amendments as to what the bill was before. As far as my concern, I have none. It's immaterial. We can move it on to Select File, but I'd ask that we leave it.

PRESIDENT: Is there an objection? Seeing none, it is so ordered. It is bracketed until February 15th. Senator Warner, did you object to that? I'm sorry, I didn't...

SENATOR WARNER: No, but I have a comment for the next bill to save some time.

PRESIDENT: Okay. We go to 210. Senator Warner.

SENATOR WARNER: Mr. President, I have some amendments coming for it. If I could just pass over it until tomorrow, because I've got the amendments and they're not here yet. Unanimous consent until tomorrow.

PRESIDENT: There's a request for unanimous consent to pass over 210 until tomorrow. Is there an objection? Seeing none, it is so ordered. We go to 271.

CLERK: Mr. President, LB 271 was introduced by Frank Lewis, and Senator Lewis is excused all day.

PRESIDENT: In view of the excused absence of Senator Frank Lewis we will pass over LB 271. We go now to LB 501.

CLERK: Mr. President, (Read title). The bill was first read on February 17th, Mr. President. It was referred to the Public Health and Welfare Committee. It was advanced to General File. There are presently no Committee amendments pending, Mr. President.

PRESIDENT: Senator Richard Lewis.
